- Rogue trader plumber admits defrauding customers around East Anglia.
- Company and director found guilty of breaching fire safety regulations in Ipswich.
- Suffolk residents advised – don't do business with cold callers.
- Blue Badge abuser prosecuted for misusing Blue Badge in Ipswich.

A copy of the full report can be seen at www.shottisham.suffolk.cloud

b) ESC Report

No report available from ESC.

6-09/07/24 To confirm adoption of updated Financial Regulations for 2024

The clerk has amended the final version of the Model Financial Regulations released by NALC to comply with Shottisham Council's requirements and sent a copy round for councillors to view before the meeting. Councillors approved the updated version and confirmed adoption of the Financial Regulations 2024 at the meeting. A copy of the latest version has been uploaded to the Council Documents on the website by the clerk.

7-09/07/24 Update on Highways Issues:

- Cll PW has received confirmation that his request to site the ANPR halfway down the hill coming into the village from Hollesley on its next visit has been approved and it will be in situ for a week. He proposed that the results are discussed at the next meeting and published in the minutes, which all councillors approved.
- Cll PW has reported the long grass obscuring the view at the B1083 Hollesley/Sutton junction on the Highways Reporting Tool and is waiting for a response.
- A Freedom of Information Act request from Cll PW has confirmed that SCC have spent £289,000 on signage for Quiet Lanes in Suffolk.
- Problems with water flooding onto the road outside Brook Cottage continue and there are signs that the road is starting to break up. Councillors expressed concern that this could lead to troublesome potholes in the winter.

8-11/07/23 Update on Playground Issues:**New equipment**

- Cll JM has arranged for Sovereign Playgrounds to pay a visit to the playground on the 15th July to have a conversation with them about replacing some of the worn-out equipment. All the companies he has spoken to so far have recommended using wooden equipment with metal ground inserts because replacing with metal or synthetic is prohibitively expensive. Cll JC will get them to give him a price for the various options for comparison.

Playground maintenance

- The results from the new grass cutting contract have been disappointing so far this year. The first cut was done at the end of the April, with the second cut taking place 9 weeks later. The length of the grass was too much for the machines to handle and left the grass looking atrocious with great big chunks left behind. The clerk has written a letter of complaint to the company and provided photographic evidence to back this up. The next cut is due the week beginning the 15th July and it is hoped there will be a considerable improvement.
- After inspecting the playground equipment recently Cll JC reported that the remaining posts leading up the side of the slide are starting to get wobbly again and will need looking at again at the end of the summer. Councillors agreed the next step would be to remove the handrail completely and take out the remaining posts once they are considered a safety risk. This will be revisited in September.

9-09/07/24 To discuss problem of overgrown footpaths

The clerk has received several complaints about the state of the overgrown footpaths on the Broxstead Estate and has been in contact with Robbie from the estate who has been very helpful. He has now used a member of the farm team to pull the old 6-foot cutter out of the nettles to cut the paths, as a temporary measure. The clerk has been in contact with him again with further complaints about the footpath across the Heath which is now almost impassable and is awaiting a response.

10-09/07/24 Clerk's report and Finance Update:
